**THIS TITLE IS THE OWNERSHIP DOCUMENT FOR YOUR VEHICLE. KEEP IT IN A SAFE PLACE.  
DO NOT KEEP IT IN YOUR VEHICLE.**

**APPLICATION INSTRUCTIONS**

A separate application must be completed by the new owner(s) when there is a transfer of ownership (except 1 releasing a lien). Applications are available by calling (503) 945-5000, or in the Portland area call (503) 299-9999, at a DMV office and at: [www.oregondmv.com](http://www.oregondmv.com). Mail your completed application, title and fee to: DMV, 1905 Lana Ave N Salem OR 97314. NOTE: If joint registered owners request survivorship, the title shows "Y" in the 1st position of the Survivor Box. If the joint security interest holders request survivorship, the title shows "Y" in the 2nd position. "N" means no survivorship was requested. Survivorship means there is joint ownership or joint tenancy on the vehicle.

Federal and state laws require that you (seller and buyer) state a vehicle's mileage when there is a transfer of ownership on vehicles 9 years old or newer. Failure to complete an odometer disclosure or providing a false statement may result in fines, imprisonment or both. Under Oregon law, the offense of submitting a false odometer disclosure is a Class C felony (ORS 815.430). Oregon law requires that an application for transfer of title be submitted to DMV within 30 days from the date you buy a vehicle. Failure to do so within 30 days may result in a late title transfer fee of up to \$50.

**Seller Notice**

ORS 803.112 requires a person who sells a vehicle covered by an Oregon title to notify DMV of the sale within 10 days from the date of the sales transaction. This requirement is also known as seller notice. A seller notice must contain the vehicle identification number, vehicle registration plate number, the full name of the seller, and the full name of the buyer.

Seller notice may be submitted to DMV in any one of the following forms and must be received by DMV within 10 days from the date of the vehicle:

- In writing, in the form of a Notice of Sale or Transfer of a Vehicle (DMV Form 6890), a completed seller notice on the back of a registration card; or
- Through DMV's website [www.oregondmv.com](http://www.oregondmv.com) or an official State of Oregon website that hosts or administers a DMV application or service.

**THIS TITLE IS THE OWNERSHIP DOCUMENT FOR YOUR VEHICLE. KEEP IT IN A SAFE PLACE.  
DO NOT KEEP IT IN YOUR VEHICLE.**

**APPLICATION INSTRUCTIONS**

A separate application must be completed by the new owner(s) when there is a transfer of ownership (except releasing a lien). Applications are available by calling (503) 945-5000, or in the Portland area call (503) 299-9999, at a DMV office and at: [www.oregondmv.com](http://www.oregondmv.com). Mail your completed application, title and fee to: **DMV, 1905 Lana Ave N Salem OR 97314**. NOTE: If joint registered owners request survivorship, the title shows "Y" in the 1st position of the Survivor Box. If the joint security interest holders request survivorship, the title shows "Y" in the 2nd position. "N" means no survivorship was requested. Survivorship means there is joint ownership or joint tenancy on the vehicle.

Federal and state laws require that you (seller and buyer) state a vehicle's mileage when there is a transfer of ownership on vehicles 9 years old or newer. Failure to complete an odometer disclosure or providing a false statement may result in fines, imprisonment or both. Under Oregon law, the offense of submitting a false odometer disclosure is a Class C felony (ORS 815.430). Oregon law requires that an application for transfer of title be submitted to DMV within 30 days from the date you buy a vehicle. Failure to do so within 30 days may result in a late title transfer fee of up to \$50.

**Seller Notice**

ORS 803.112 requires a person who sells a vehicle covered by an Oregon title to notify DMV of the sale within 10 days from the date of the sales transaction. This requirement is also known as seller notice. A seller notice must contain the vehicle identification number, vehicle registration plate number, the full name of the seller, and the full name of the buyer.

Seller notice may be submitted to DMV in any one of the following forms and must be received by DMV within 10 days from the date of the vehicle:

- In writing, in the form of a Notice of Sale or Transfer of a Vehicle (DMV Form 6890), a completed seller notice on the back of a registration card; or
- Through DMV's website [www.oregondmv.com](http://www.oregondmv.com) or an official State of Oregon website that hosts or administers a DMV application or service.

DO NOT KEEP IT IN YOUR VEHICLE.**

**APPLICATION INSTRUCTIONS**

A separate application must be completed by the new owner(s) when there is a transfer of ownership (except for releasing a lien). Applications are available by calling (503) 945-5000 or in the Portland area call (503) 299-9999, at an DMV office and at: [www.oregondmv.com](http://www.oregondmv.com). Mail your completed application, title and fee to: DMV, 1905 Lana Ave NE Salem, OR 97314. NOTE: If joint registered owners request survivorship, the title shows "Y" in the 1st position of the Survivor Box. If the joint security interest holders request survivorship, the title shows "Y" in the 2nd position. "N" means no survivorship was requested. Survivorship means there is joint ownership or joint tenancy on the vehicle.

Federal and state laws require that you (seller and buyer) state a vehicle's mileage when there is a transfer of ownership on vehicles 9 years old or newer. Failure to complete an odometer disclosure or providing a false statement may result in fines, imprisonment or both. Under Oregon law, the offense of submitting a false odometer disclosure is a Class C felon (ORS 815.430). Oregon law requires that an application for transfer of title be submitted to DMV within 30 days of the date you buy a vehicle. Failure to do so within 30 days may result in a late title transfer fee of up to \$50.

**Seller Notice**

ORS 803.112 requires a person who sells a vehicle covered by an Oregon title to notify DMV of the sale within 10 days of the date of the sales transaction. This requirement is also known as seller notice. A seller notice must contain the vehicle identification number, vehicle registration plate number, the full name of the seller, and the full name of the buyer.

Seller notice may be submitted to DMV in any one of the following forms and must be received by DMV within 10 days of the sale of the vehicle:

- In writing, in the form of a Notice of Sale or Transfer of a Vehicle (DMV Form 6890), a completed seller notice on the back of a registration card; or
- Through DMV's website [www.oregondmv.com](http://www.oregondmv.com) or an official State of Oregon website that hosts or administers a DMV application or service.

A title brand does not necessarily indicate the extent to which a vehicle may have been damaged, whether a vehicle has been repaired, to what degree a damaged vehicle has been repaired or if the vehicle has been inspected for safety.

A title brand issued outside Oregon indicates the jurisdiction that issued the brand (i.e., "LEMON CA," or "BRANDED WA"). Please contact the jurisdiction of issuance for information regarding the brand. A title brand issued in Oregon (e.g.,
